Dear Mr. Grønsdal,

The excellent facilities offered at Comwell Klarskovgaard contributed greatly to the success of the Global Management Meeting held by the United Nations Office for Project Services (UNOPS) from 3 June 2008 – 7 June 2008.

I would like to thank you and your staff for the high level of professionalism and service orientation displayed. Staff were always friendly and cheerful, and willing to help. In particular, do accept our compliment to the chef. The food was delicious, and the attention to different dietary restrictions of this international group was appreciated.

All in all, the organization with regard to meeting rooms, including sound technology, guest rooms and food was flawless. The beauty of the location and the perfect weather conditions left a lasting impression with the visitors who came to Denmark from all around the world.

I will certainly share this positive experience with others.

We look forward to coming back again.

Yours Sincerely,

Jan Mattsson  
Executive Director
